

The garden club is collecting **UPC labels** and **plastic bottle caps**

UPC LABELS

Through the [Labels for Education](#) program, FFGC can get a lot of "free stuff" for **Wekiva Youth Camp** such as art, office, classroom, and sports supplies/equipment; computers; cameras; microphones; walkie-talkies; microscopes; and nature books. http://www.ffgc.org/youth/images/labels_education.pdf

Please help by clipping the UPC code from participating products and bringing them to the monthly meetings.

For more information, contact [Twig Morris](#).

The UPC code looks like this...

Click for points awarded for all [Participating Products](#)

BOTTLE CAPS

Bonnie Wenham is collecting #5 polypropylene **plastic bottle caps** for "Caps of Love" which will go towards helping the disabled by providing them with wheelchairs and service dogs.

Please save caps from:

- Threaded neck bottles (soda, juice, shampoo, detergent, aspirin, etc.)
- Plastic Jar Lids (peanut butter, pickles, mayo, etc.)
- Flip caps from tubes, personal care products & food product bottles (condiments)
- Flexible snap-on lids (butter tub lids, yogurt cup lids, etc.)

Contact [Bonnie Wenham](#) for additional information.
